

# LAKE PARK EDUCATIONAL FOUNDATION 22-23 ANNUAL REPORT

## MESSAGE FROM THE PRESIDENT

I want to start off by saying how proud I am of all the work that we have been able to accomplish over the past year. Ultimately, our one and only goal as a foundation, much like it is for the school itself, is to be able to help our students achieve their full potential both at Lake Park and beyond. By sponsoring programs like the robotics tournament and by providing so many opportunities for scholarships, I believe we are doing our part to make this happen. I would also like to thank our numerous volunteers and donors. Without your commitment and generosity, none of this would be possible. Finally, I would like to say how excited I am about the years ahead. We remain dedicated to the mission mentioned above and will continue to find ways to help our students thrive.
